

welcome!

From the Superintendent

At Davie County Schools, we are committed to providing a safe and secure learning environment for all students, while giving every child the experiences they need to succeed and grow as individuals. The pandemic has thrown us all a few curve balls. As a district, we are determined to lead our children in a way that celebrates our collective resilience, and embraces the unity we have experienced, as we continue to navigate these challenges together. Together we are stronger and together we can rise above.

As we look forward to getting back to the classroom this fall, I can assure you that our leadership team is working hard to prepare for a successful year. We will continue to closely monitor the pandemic, with the help of professionals in our community. Our goal is to keep all students in classrooms safely, while providing the academic development and the social and emotional support they need. We continue to pray for the safety and wellbeing of our entire DCS family and wish you much success as we enter a new school year.

Sincerely,
Jeff Wallace, Superintendent
